

NVR116D / NVR116

1080P REAL-TIME MULTI-TOUCH 16 CHANNEL STANDALONE NVR

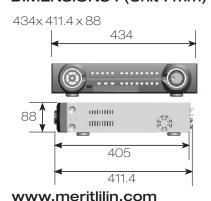

LILIN NVR116 is a 16-Channel IP standalone Network Video Recorder offering 25 frames per second for each channel at a full 1080P resolution. Touch screen, mouse, LILIN twist zoom keyboard or IR remote control, easy to navigate menus, supporting a 8-SATA hard drives. Motion detection, weighted and scheduled recording. Audio recording and playback, WS discovery for easy network discovery. NVR116 supports USB, network backup, and HDMI output. Full NAV support, web-based remote viewing & iPhone, BlackBerry and Android support. The NVR 116 is unique, touch-screen interface takes advantage of highly intuitive smartphone-style features like "pinch-n-zoom," multi-touch and scrolling, and icon based menus, deliberately avoiding traditional PC-style screens.

FEATURES:

- Multi-touch screen supported
- 1080P 16 channel real-time NVR up to 48 Mbps throughput
- Full HD 1920×1080 HDMI output
- Support 8 SATA HDDs, 1 eSATA
- Mobile phone (iPhone, iPad, Android, and Blackberry) solutions provided.
- Slim DVD/RW or external USB DVD/RW (Optional).
- CMX 3.6 / NAV 1.0 support

DIMENSIONS: (Unit: mm)
